

## Experiences with the VOEN system

„Very good storm safeness“

*Fruit-growers Lüthi, Western Switzerland*

„As an extra bonus we are sleeping much better when we have our cherries covered“

*Egeby Frugt, Denmark*

“Prime quality, top fruits!”

*J. Hoekstra, Netherlands*

„We made good experiences with wooden and steel frames as well. The materials are very high quality standard. A solid company.“

*Betuwe Kers, Netherlands*

„We have a very good climate under the covers good ventilation. No stress while harvesting.“

*Fruit-growers Schmidt, Styria / Austria*

„Easy and fast construction with the steel frame“

*Fruit-grower Martin, Bodensee / Germany*

„Experiences with VOEN? No problems it's O.K.“

*Chicory Crops, Great Britain*

„The system weathered big squalls without any problems“

*Fruit-grower Huemer, Austria*
